

Bad Weather and Emergency Closure Arrangements

Many of you will recall that snow forced the cancellation of classes on one Saturday last February. Without wishing to tempt fate, can we remind you of the arrangements should bad weather be a problem:

- where possible, individual tutors will inform their pupils by telephone if classes are cancelled (please let tutors and Catherine Ellis know if you have changed address, telephone number(s) and e-mail address)
- local radio and television stations will be notified
- information will be displayed on the SRMS website www.srms.org.uk
- if you are still in doubt, ring the SRMS mobile phone number 07754 916 502 for clarification; or contact any of the Officers or Committee members
